## ABOUT INSTITUTE

**ROFEL Shri G.M. Bilakhia College of Pharmacy** is a modern temple of learning founded in 1999 by ROFEL Trust where quality education is more than a philosophy. It is one of the premier pharmacy colleges in India, imparting quality pharmaceutical education and training for the more than two decades, offering undergraduate and postgraduate course in Pharmacy. The foundation of the college was laid from the generous donation from well-known Industrialist Padmabhusan Shri G. M. Bilakhia.

Since 1999, many pharmacists (B. Pharm. and M. Pharm. graduates) of ROFEL now hold prominent positions in industry and academia, both in India and abroad. The college is located in ROFEL Namdha Campus which is about 1.5 Km from Vapi Railway Station and about 2 Kms from Vapi GSRTC Bus Stand. The Vapi Railway Station is on the Ahmedabad-Mumbai Rail Route. The ROFEL Namdha campus is about 5 Km from GIDC-Vapi Gunjan Highway Cross road on Vadodara-Mumbai #NH-48.

The college is involved significantly in Research & Development in the field of Pharmacy. The college and its faculty are mainly focused in three areas – Formulation Development, Analytical Method Development and Pharmacological Research. College has rich resources of faculty to nurture the research aptitude of the students.

## ABOUT TRUST

**ROTARY CLUB OF VAPI** – a Member Club of Rotary International devoted to social work; has established in 1985 an Educational Trust named '**ROTARY FOUNDATION FOR EDUCATION AND LEARNING**' Popularly known as '**ROFEL**' to provide educational facilities in the region at all levels. In the initial years, the trust organized and awarded scholarships to local students to enable them to study outside Vapi in various disciplines, ranging from engineering and medicine to business administration, arts and commerce. The Trust started the first college (Arts & Commerce College) in Vapi in 1989, followed by many educational institutions as follows:

- ROFEL Shri G.M. Bilakhia College of Pharmacy, Vapi
- GIDC Rajju Shroff ROFEL Institute of Management Studies, Vapi
- GIDC Rajju Shroff ROFEL Institute of Management Studies (BBA Programme), Vapi and ROFEL Shri G.M. Bilakhia College of Applied Sciences (BCA Programme), Vapi.
- ROFEL Smt. C.D. Jhobalia College of Arts and Smt. I.S.R. Achchhariwala College of Commerce, Vapi
- Sandra Shroff ROFEL College of Nursing, Vapi

### **VISION**

Shaping a better future for mankind by developing effective and socially responsible pharmacy and health-care professionals and organization.

### **MISSION**

Mission of the college is to educate and train students in the knowledge and practice of pharmaceutical sciences end to contribute to improvement of health of the society through educational and research programs. College emphasizes on all round development of its students. It aims at not only producing good professionals, but also good and worthy citizens of our great country India, adding in its overall progress and development.

### **QUALITY POLICY**

The responsibility and accountability in all our functions like teaching, research, consultancy and continuing education including support functions will be imbibed through processes of self-evaluation and continuous improvement so as to achieve highest standards of excellence in all our endeavours.

### **VALUE STATEMENT**

The organization will strive to maintain values with respect to Integrity, Trust, Openness and Fairness amongst staff, students and other stakeholders including society.

## PRINCIPAL'S MESSAGE

"Excellence is not a skill, it is an attitude." - Ralph Marston

As I reflect on the past year at ROFEL Shri G.M. College of Pharmacy, I am reminded of this powerful quote. Our journey has been marked by a collective attitude of excellence, propelling us to new heights in the field of pharmacy. It is with immense pride and joy that I welcome you to this edition of our Pharmacy Magazine "ROFEL MIRROR" and Annual Report. This year has been a testament to our unwavering commitment to innovation, education, and community service.

Our faculty and students have embarked on groundbreaking research projects, contributing valuable insights to the ever-evolving pharmaceutical sciences. Their dedication and hard work have resulted in numerous publications, patents, and accolades that underscore our reputation as a leading institution in pharmacy education. Our curriculum has undergone significant enhancements, integrating cutting-edge developments and real-world applications. This ensures that our students are not only academically proficient but also industry-ready, equipped with the skills and knowledge to excel in their careers. We have also expanded our collaborative efforts with healthcare institutions and industry partners, providing our students with invaluable hands-on experience and professional networking opportunities.

Community engagement remains at the heart of our mission. This year, our students and faculty have organized and participated in various health camps, awareness drives, and outreach programs. These initiatives have made a tangible impact on the health and well-being of our communities, while also fostering a sense of social responsibility and empathy in our students.

In this issue, we celebrate the remarkable achievements of our students and faculty. Their stories of perseverance, innovation, and compassion are a source of inspiration for us all. From pioneering research and academic excellence to community service and professional success, each accomplishment is a testament to the spirit of ROFEL Shri G.M. Bilakhia College of Pharmacy. As we look ahead, I am confident that we will continue to uphold our tradition of excellence and make significant contributions to the field of pharmacy. Thank you for being an integral part of our journey.

With warm regards,

**Dr. Arindam Paul**

**Principal**

## EDITOR'S DESK

Dear Readers,

Welcome to the latest edition of ROFEL SHRI G.M. BILAKHIA COLLEGE OF PHARMACY Magazine “ROFEL MIRROR”. We are excited to present to you a collection of articles, research highlights, and stories that reflect the dynamic world of pharmacy and the incredible work of our students & faculty.

In this issue, we delve into the latest advancements in pharmaceutical research, showcasing groundbreaking studies and innovations that are shaping the future of healthcare. Our feature articles cover a range of topics, from the development of novel drug therapies to the impact of personalized medicine. We also highlight the efforts of our faculty members who are leading the way in various fields of pharmacy.

We are proud to share the accomplishments of our students, who continuously demonstrate excellence and dedication to their studies and the pharmacy profession.

Additionally, we have included insightful interviews with industry experts and alumni who have made significant contributions to the field. Their experiences and advice provide valuable perspectives for our readers and aspiring pharmacists.

This magazine is a testament to the vibrant community at ROFEL Shri G.M. Bilakhia College of Pharmacy, where innovation, collaboration, and a passion for improving patient care drive us forward. We hope you find this edition both informative and inspiring.

Thank you for your continued support and engagement. Together, we are advancing the field of Pharmacy and making a positive impact on health care.

Happy Reading!

Sincerely,

**Ms. Shreya Naik & Ms. Bijal Patel**

**Editor – in – chief**

ROFEL Shri G.M. Bilakhia College of Pharmacy

## PROUD ANNOUNCEMENT

### NAAC Accreditation Achievement

We are thrilled to announce that on 18<sup>th</sup> October, 2022 our college has been NAAC accredited with B++ grade. This recognition is a testament to our commitment to academic excellence, innovative teaching methods, and the holistic development of students. Achieving this milestone is a result of the collective efforts of our dedicated faculty, diligent students & supportive administrative staff. We are proud of this accomplishment and look forward continuing our journey of providing high-quality education and fostering an environment of growth & learning. Thankyou to everyone who has contributed to this success. Let's continue to strive for greater heights together!

## Announcing the establishment of Rajju Shroff ROFEL University

We are excited to share the news of the establishment of RAJJU SHROFF ROFEL UNIVERSITY and we are proud to announce that ROFEL SHRI G.M. BILAKHIA COLLEGE OF PHARMACY is now a constituent college of RAJJU SHROFF ROFEL UNIVERSITY.

### **\*\*Foundation Stone Laid for Rajju Shroff ROFEL University\*\***

In a landmark event, the foundation stone for Rajju Shroff ROFEL University was ceremoniously laid by Shri Nitin Gadkari, the Honorable Minister for Road and Transport & Highways, Government of India. The occasion was graced by several distinguished guests, including Honorable Shri Kanubhai Desai, Cabinet Minister of Finance, Energy, and Petrochemicals, Government of Gujarat. Club mentor and Past Rotary International President Rtn. Kalyan Banerjee and Mrs. Sandra Shroff – Vice Chairman of UPL Ltd were also present to witness this significant milestone. It sets the stage for a new era of academic excellence and innovation.

INTERNATIONAL WOMEN'S DAY CELEBRATION

## CURRICULAR ACTIVITIES

### INDEPENDENCE DAY CELEBRATION

**The Independence Day of India**, which is celebrated religiously throughout the Country on the 15th of August every year, holds tremendous ground in the list of national days. Independence Day marks the end of British rule in 1947 and the establishment of a free and independent Indian nation. To mark, to celebrate and commemorate 75 years of independence and the glorious history of its people, culture and achievements, "The Azadi Ka Amrit Mahotsav" initiative was launched by PM Modi in March 2021. Honourable Prime Minister Shri Narendra Modi declared the starting of official journey of Azadi Ka Amrit Mahotsav from 12th March 2021 which started a 75-week countdown to our 75th anniversary of independence on 15th August 2022. Numbers of different activities were declared as a part of the celebration of azadi ka amrit Mahotsav. Our Institute ROFEL Shri G. M. Bilakhia College of Pharmacy, Vapi also became a part of this and celebrated Independence day 2022 with the theme of this journey of Azadi ka Amrit Mahotsav. on 15th August 2022, Monday. All staff members and students joined flag hoisting by The Chief Guest Rtn. Rakesh Patwari (Trustee – ROFEL Trust) Followed by the National Anthem at ROFEL, Namdha campus. At Pharmacy College Premises, for students of Pharmacy College. A cultural programme was also organised with various activities like Dance for Nation, Sing for Nation, Paint for Nation, Speak for Nation, Act for Nation and Human Pyramid under the guidance of Mrs. Harshida Patel [The Coordinator of cultural activities]. The programme started with Lamp lighting by The Principal and invited guest Mrs. Bandana Paul.

INDEPENDENCE DAY CELEBRATION ON 15<sup>TH</sup> AUG 2022

### TEACHERS DAY CELEBRATION

On the Occasion of birth anniversary of a great teacher Dr Sarvepalli Radhakrishnan, 5th September is celebrated as **TEACHER'S DAY** of India since 1962. The students of ROFEL Shri G. M. Bilakhia college of Pharmacy also celebrated this day on 5 th September 2022 in honour of all the faculties and other staff members of the college. The senior students of B.pharm & M.pharm took responsibilities of teaching by taking lectures and practical of the junior students of B.pharm in order to show their appreciation for the faculties. A small function was also arranged by the students for honouring the teachers of the college under the guidance of Mrs. Harshida Patel (Coordinator –cultural activities). All the teachers were warmly welcomed by the students. A Motivational Speech was delivered to the students by the principal of the college Dr. Arindam Paul. Teachers were invited to share their milestones of teaching and for their motivation to students. An arrangement of games was done by students for the teachers. The Programme was closed by Cake cutting by the principal of the college Dr. Arindam Paul.

TEACHER'S DAY CELEBRATION ON 6<sup>TH</sup> SEPTEMBER 2022

### WORLD PHARMACIST DAY CELEBRATION

The 25th of September is observed as **WORLD PHARMACIST DAY**, an initiative of the International Pharmaceutical Federation (FIP) and the council of this organisation, with the goal of promoting and advocating the role of the pharmacist in improving health throughout the world. Our Institute also celebrates "World Pharmacist Day" every year. Since September 25th fell on a Sunday this year, we celebrated the day on 24th September, 2022 (Saturday) with the theme of the year – "Pharmacy united in action for a healthier world" under guidance of Principal of the institute Dr. Arindam Paul. Various competitions like – Pharma Rangoli, LOGO design and Pharma Quiz were organized for future pharmacist of our institute by coordinator cultural events - Mrs. Harshida Patel. Total 97 Students of B.Pharm and M.Pharm participated in these events and showed their views as a part of their future responsibilities as a pharmacist with great enthusiasm. All the participants were felicitated with E-certificate and The best performing students were declared as winners. The NSS cell of the institute also joined the celebration and a Thalassemia Test Camp along with an eye and dental check-up camp was also held under the guidance of Ms. Shreya Naik [Coordinator – NSS activities].

WORLD PHARMACIST DAY CELEBRATION

Navratri Day was celebrated on 1<sup>th</sup> October 2022 at ROFEL-GIDC Campus. All faculty and students of colleges managed by ROFEL Trust participated in the event with full enthusiasm.

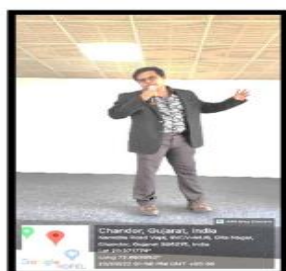

## OJASYA 2022

Students' involvement in extracurricular activities/cultural activities plays an integral role in the collegiate experience. Students become involved in such activities not only for entertainment, social, and enjoyment purposes, but most important, to gain and improve skills. Extracurricular and Cultural activities not only help students to identify themselves with the institution, but also assist students to develop themselves in a desired field and also improve skills such as organizational, presentation, leadership and interpersonal communication. Our Institute ROFEL SHRI G M BILAKHIA COLLEGE OF PHARMACY organises various extracurricular/cultural activities for students every year. This year this celebration started as "OjASŸA" on 23rd September 2022, Friday, in which various competitions were organised for students - Best Out of Waste, Salad Decoration, Cook Without Fire, Mimicry, Hand Painting, Mehndi competition, by Mrs. Harshida Patel [The coordinator cultural activities] under the guidance of - Dr. Arindam Paul [The Principal]

The event was started with the lamp lighting by The Principal of the institute - Dr. Arindam Paul and the other senior faculty members. In this event, almost 59 students participated in various activities and by registering in more than one competition. Total 101 registrations were received for this event. The students also volunteered the event and gave a smooth and successful flow to all the competitions. The Best participants were declared as winners and felicitated with e-certificates.

Cook Without Fire

## SPORTS ACTIVITIES

### KHELO ROFEL-2022

KHELO ROFEL 2022 was held in Namdha Campus in Vapi on the 24th, 25th, and 26th of February, 2022. That day, all of the students and professors were bursting with energy, and their enthusiasm could be seen in their eyes. At 9:00 a.m., the programme began with prayer and the lighting of the lamp, which signalled the commencement of our sports programme. The students' sports committee organised a variety of indoor and outdoor games under the direction of sport's Incharge Ms. Vishva Parmar. The students and their guardians showed a lot of curiosity. They all came in great numbers to participate in the various indoor and outdoor events. Considering the concept of "SPORTS FOR ALL" throughout the entire session we organized Inter-class tournaments for students as well as some sports activities for staff (teaching and non-teaching). An award ceremony was held on February 26<sup>th</sup> 2022. Mr. Hiten Yadav, Prof. Bijoy Panda, and Dr. Rabindra Kamble spoke at the event, encouraging students to participate in sports and emphasizing the importance of games and sports in a student's life. The guests praised the students' sportsmanship in a variety of games. The prize winners were then revealed by the Student Sports Coordinator. The chief guest awarded prizes to the winners. They were overjoyed to receive the medals and trophies, and the sports programme ended at 4 p.m.

## SCIENTIFIC ACTIVITIES

### SHORT TERM CERTIFICATE COURSE UNDER GTU-CCE ON PHARMACEUTICAL DRUG REGULATORY AFFAIRS

Centre for Continuing Education, GTU certified "Short Term Certificate Course on Pharmaceutical Drug Regulatory Affairs" was organized by ROFEL Shri G.M Bilakhia College of Pharmacy, Vapi. The first batch of this course was conducted from 10th September to 19th November, 2022.

Convenor- Dr. Arindam Paul (Principal)

Coordinators- Dr. Shuchi Desai (Associate Professor) & Dr. Hitesh Dalvadi (Professor)

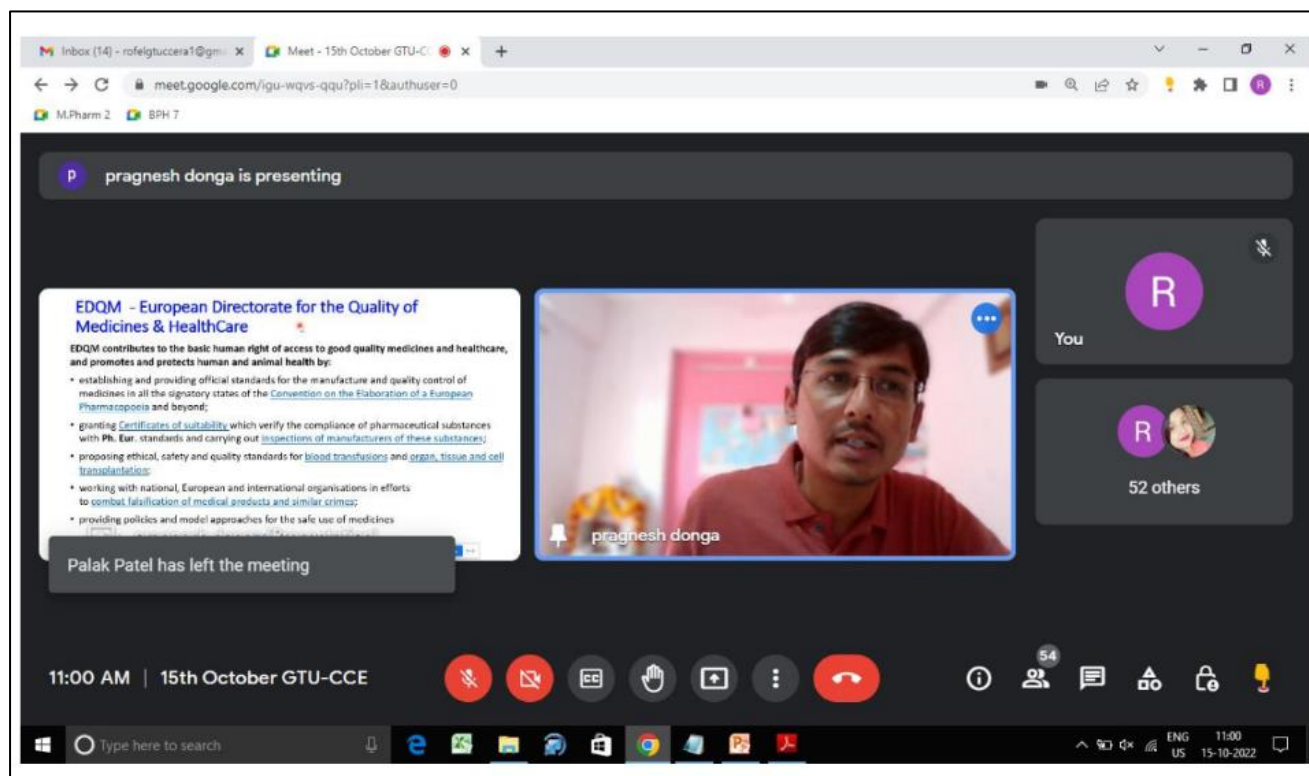

#### COURSE OBJECTIVE

Upon completion of this course, it is expected that students will be able,

- ✓ To understand new drug approval process, regulatory requirements for various countries, documentation related approval and post approval process, guidelines to conduct pre-clinical and clinical studies, audits and post approval changes.
- ✓ To understand various documents, its preparation, filling, checking and approval process required for regulatory aspects.

The screenshot shows a Google Meet window with a presentation slide. The slide is titled "GTU - Centre For Continuing Education (GTU-CCE) Short Term Certificate Course on PHARMACEUTICAL DRUG REGULATORY AFFAIRS". It includes the date "10th September 2022 Saturday" and time "9:45 am to 1:00 pm". The course coordinators are listed as Dr. Shuchi Desai (Associate Professor) and Dr. Hitesh Dalvadi (Professor). The convenor is Dr. Arindam Paul (Principal & Professor). The course is organized by ROFEL Shri G M Bilakhia College of Pharmacy, managed by the Rotary Foundation for Education and Learning (ROFEL) Trust. The slide also provides contact information for ROFEL, including a phone number, email, and website.

The Meet interface shows several participants in a grid view: Rejina Rasaily, ROFEL GTU C..., Arindam Paul, Rubi Yadav, 53 others, and You. The bottom of the screen shows the Windows taskbar with the time 10:08 AM on 10th September, 2022.

## SHORT TERM CERTIFICATE COURSE UNDER GTU-CCE ON PHARMACEUTICAL QUALITY MANAGEMENT SYSTEM

Course Name: "Pharmaceutical Quality Management system"

Duration: 36 Hours (Online mode via Google meet)

Course Duration: Batch 3: 16/07/2023 to 23/09/2023 (Saturday - Sunday from 10:00 am to 1:00 pm)

Registration Fees: 1500/- per candidate

Minimum Eligibility: D. Pharm, B.Pharm, M.Pharm (completed or pursuing)

Registration Link: <https://forms.gle/QCwcArsen1BQJyJi8>

Convener: Dr. Arindam Paul

Co-ordinators: Dr. Alisha Patel & Mrs. Nilima Patel

### Significance of Course

- ✓ The course will improve understanding of quality principles and compliance to regulatory standards.

- ✓ The course will target individual personnel and processes involved in pharmaceutical manufacturing for continuous quality improvement.

### **Objective of Course**

- ✓ To provide knowledge of Pharmaceutical quality management system in all aspects to maintain quality standards and facilitates continuous improvement of process performance and product quality.
- ✓ To develop an effective monitoring control in organization based on the performance as well as product quality.
- ✓ To coordinate and direct an organization's activities to meet customer and regulatory requirements and improve its effectiveness and efficiency on a continuous basis.
- ✓ To provide understanding of concepts like What is Quality, Quality audit, Total Quality Management, Self inspection, Out of Specification, Out of Trend, Corrective and Preventive Actions, Deviations, Returns and recall.

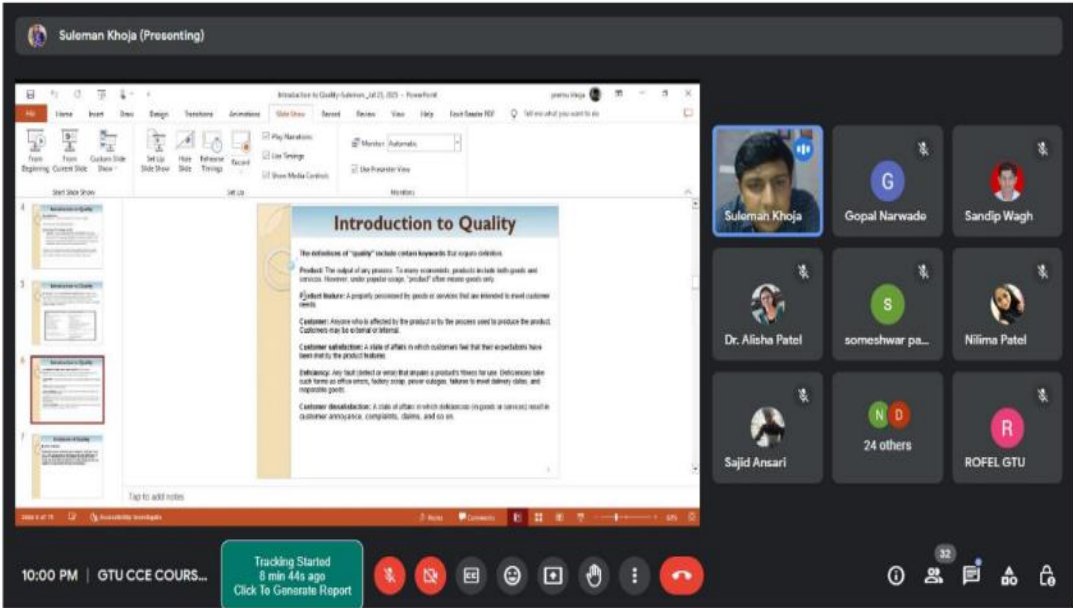

### **Outcome of Course**

On completion of this course, the participants will be able to:

- ✓ Understand concept of vision, mission, quality objectives and quality policy in a pharmaceutical organisation.
- ✓ Understand practical quality management aspects carried out at pharmaceutical industries.
- ✓ Appreciate the importance of Quality systems to achieve quality products.
- ✓ Understand responsibilities of personnel working in QMS, QA/QC and production departments with respect to Pharmaceutical Quality Management Systems. Increase ability to solve cases of TQM, Change management/ change control, deviations, OOS, OOT and CAPA.

### **Placement Opportunities:**

- ✓ Certificate holders of PQMS will have an advantage to get easily absorbed in Quality Assurance/Quality Control department in pharmaceutical industries
- ✓ Beside to that Pharmaceutical API industry and F&D departments prefers candidates having knowledge of PQMS, hence the advantage to certificate holders of this course.

The screenshot shows a Zoom meeting interface. The main window displays a presentation titled "Introduction to Quality" by Suleman Khoja. The presentation content includes definitions of quality, product, customer, and customer satisfaction. The Zoom interface shows a grid of participants on the right, including Suleman Khoja, Gopal Narwade, Sandip Wagh, Dr. Alisha Patel, someshwar pa..., Nilima Patel, Sajid Ansari, 24 others, and ROFEL GTU. The bottom status bar indicates the time is 10:00 PM and the course is GTU CCE COURS....

Lecture delivered by Mr. Suleman Khoja

The screenshot shows a Zoom meeting interface. The main window displays a presentation titled "AUDIT CYCLE" by Rakesh Desai. The presentation content includes a diagram of the audit cycle with stages: Plan (Policy, Resources, Objectives), Do (Processes, Indicators, Product realization), Check (Audits, Validations, Verifications), and Act (Continual improvement, Preventive actions, Corrective actions). The Zoom interface shows a grid of participants on the right, including Dr. Alisha Patel, Rakesh Desai, raj kumar, Abhishek Jha, Khushi Desai, Parth Bhandari, Nikita Pal, 24 others, and ROFEL GTU. The bottom status bar indicates the time is 10:41 AM and the course is GTU CCE COURS....

## ENTREPRENEURSHIP AWARENESS PROGRAM

On 28th November, A one-day Entrepreneurship awareness program on the topic of How to grow your own Business organized by the Entrepreneurship Development Institute of India, Ahmedabad, and supported by the Ministry of MSME. Dr. Arindam Paul Principal and Professor of our college delivered a welcome speech. Dr. Dipal Rana, Manager, Lupin Pvt Ltd Chief guest of the program shared his view on the importance of startups and entrepreneurship. The speakers of the session briefed the participant about entrepreneurship and what is fundamental of startups. Dr. Asha Dave Sr. Executive and social entrepreneur guided participants about various opportunities for startup and entrepreneurship. Dr. Dave highlights various government-supportive initiatives and funding agencies for research and startups. Mr. Mohinish Agarwal shared basic information about the Entrepreneurship Development Institute of India and how it supports and works for the development and expansion of research and innovation. Mr. Chirag Patil Project officer, EDI, Vapi Office explained about the Ministry of MSME and how the government provides a different kind of support in business development and expansion. Dr. Chirag Desai Associate Professor explained the minute difference startup, innovation, and entrepreneurship to the participant.

## HPTLC TRAINING

Initial part of training included Inauguration and welcome to all participants by host institute Shree RMD Ayurved College and Hospital. Further the facilities of research lab with were allowed to explore with Director and R & D head; Dr. Yogesh Desai. Then session was carried out by Mr. Manthan Patel and Miss. Hetal Patel included scopes of HPTLC, Basic instrumentation, its application in industrial and research for separation and quantification. Then in later part of training the demonstration on HPTLC instrument with hands on training to sample applicator, plate development and detection techniques were done. The sample applicator LINOMAT 5 and Autosampler ATS 4 were demonstrated. The development chamber and visualizer, densitometer and scanner CAMAG TLC visualizer 2 also demonstrated. The software Vision CATS was used by Experiment on identification and Quantification for Panchdravya including Ghee sample were performed.

## LIFE SUPPORT TRAINING WORKSHOP

Shalby Education academy, Surat and Shalby Hospital Vapi jointly in Collaboration with ROFEL Shri G M Bilakhia College of Pharmacy Organised 1 day training workshop on Basic Life Support to Pharmacy Students. Mrs Gayatri Nath, A certified BLS Trainer from Shalby Education Academy, Surat explained Cardiopulmonary resuscitation (CPR) is used as Basic Life Support (BLS) to maintain the patient's circulation and breathing until advanced life support arrives. The chances of survival are higher for victims who have received prompt and appropriate BLS care since they will be more oxygenated and more receptive to advanced approaches for resuscitation. Followed by Explanation Mrs Gayatri Nath gave practical demonstration on manikins to students. Each students have individually practiced the same under the supervision of Mrs Nath. Ms Urvi Patel, Senior Executive, SHalby Education academy and Mrs Desai, Hr Head Shalby Hospital Vapi also were present to provide detailed support and information regarding the training and future opportunities.

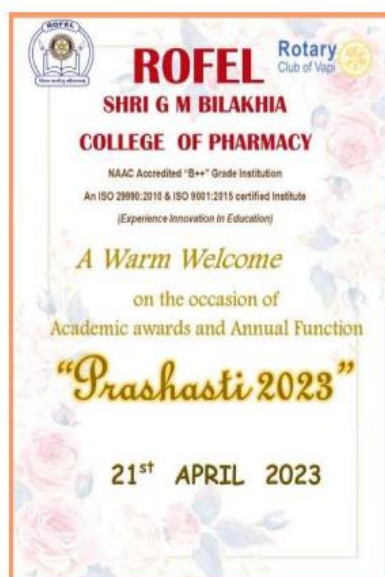

Mrs Gayatri Nath demonstrating and delivering session on BLS

## APPRECIATION CEREMONY

### PRASHASTI-2023

The Appreciation is something that motivates to do better and better. It is always the moment of an honour to appreciate the achievements and success of the students they reached to with really great Hard work and talent. The place they achieve in their academic career, is also the proud for the institution. So ROFEL Shri G. M. Bilakhia college of Pharmacy, appreciate such achievers - the institute toppers and University toppers of the institution every year by felicitating them with certificates and awards.

This year this occasion was entitle as on 21st April 2023, at VIA Auditorium, GIDC, Vapi. Mr. Narendra Shah - Director and Site Manager, Bayer Vapi Pvt. Ltd. was invited as chief guest of the event. The institute was honoured to have the presence of the chief guest as well as all the trustees of the ROFEL Trust, Rtn. Ashis Roy -Secretary-Trustee, ROFEL Trust, Rtn. Ujjwal Kakaria - Trustee, ROFEL Trust, Rtn. Dipak R Shah - Trustee, ROFEL Trust, Rtn. Bharat G Patel - Trustee, ROFEL Trust , Rtn. Praful Dewani -Trustee, ROFEL Trust, Rtn. Rakesh Patwari - Trustee, ROFEL Trust. The event became more beautiful because of the presence of Rtn. Hemal Naik – President Rotary Club of Vapi and Padmashri Gafurbhai Bilakhia. The event started with the Lamp lighting ceremony by the chief Guest Mr. Narendra Shah, All the trustees, and our Principal – Dr. Arindam Paul, accompanied by melodious prayer singing, followed by Prayer dance by the Students of B.pharm. The event was continued with the felicitation of the University topper students by the Chief Guest Mr. Narendra shah. He also motivated students with his motivational words. The event continued with the felicitation of Institute topper students by the hands of the trustees - ROFEL trust. Themis Medicare Education Fellowship By Global Public Foundation – Mumbai, sponsors the fellowship for the students topped during the whole academic year. This fellowship was also awarded to the toppers of the year students by the hands of the trustees - ROFEL trust.

Flyer and Invitation of "Prashasti 2023"

Addressed by chief guest

Felicitation of GTU topper

Felicitations of institute toppers

## INDUSTRIAL VISIT

Industry training included Inauguration and welcome to all participants by host. Further the facilities were allowed to explore. The training sessions were carried out batch-wise to various departments like Raw Material, Warehouse, Production, Packaging and labeling. The training also includes demonstration of manufacturing equipment and testing instruments for Solid dosage forms. Products explained by industry were Solid oral Tablet formulation with coating process. Discussion and feedback session was carried out with Mr. Mukesh Patel (Plant Head) at conference room followed by Photography.

## CAREER FAIR 2023

Career Fair 2023 was organized by Tanmay Charitable Trust and Rotary Club of Navsari from 21/04/2023 to 23/04/2023 at Ramji mandir hall, Navsari. Two faculty members, Ms. Pratixa Patel and Ms. Khushboo Kapadia, Assistant Professor guided and interacted with participants of the career fair as a representative of ROFEL, Shri G.M. Bilakhia College of Pharmacy, Vapi-Namdha.

Career Fair 2023 was organized by the Rotary Club of Daman, Tanmay Charitable Trust, and Shri Daman Jilla Koli Patel Samaj from 26/04/2023 to 27/04/2023 at Koli Samaj Hall, Daman. Six faculty members Mrs. Priyadarshini Patel, Ms. Shreya Naik, Ms. Khushboo Kapadia, Mrs. Vishwa Parmar, Mrs. Shabnam Khan, and Mrs. Vrushali Gajre, Assistant Professor guided and interacted with participants of the career fair as a representative of ROFEL, Shri G.M. Bilakhia College of Pharmacy, Vapi-Namdha.

Career Fair 2023 was organized by the Rotary Club of Valsad from 28/04/2023 to 30/04/2023 at Sai Leela Mall, Daman. Three faculty members Ms. Pratixa Patel, Ms. Rajvi Mahida and Ms. Harshida Patel, Assistant Professor guided and interacted with participants of the career fair as a representative of ROFEL, Shri G.M. Bilakhia College of Pharmacy, Vapi-Namdha. Rajju Shroff Rofel University, Vapi provided an opportunity for students and parents to meet experts from our University and Colleges by participating in this educational fair 2023. It provided a good platform to acquire knowledge and awareness about career objectives, career opportunities, and courses offered by our university. The event of the Career Fair was Coordinated by Dr. Arindam Paul, Principal ROFEL Shri G.M. Bilakhia College of Pharmacy. Dr. Ankit Merai, Associate Professor & Dr. Ankita Patel, Associate Professor supervised the event during the career fair. A total number of 100 participants availed the benefit of career fair 2023.
